

Fifth Grade Parents
GEORGIA'S GARDEN

Here is the form for the Georgia O'Keefe print that we put together from their fifth grade art project for the auction this year. As I mentioned in my e-mail, this print can be displayed vertical or horizontal. The price is \$70.00. Though the display in the office has "Georgia's Garden" and "the BSS Fifth grade class" under the artwork, the print will not have any text. It will just have a white border around it resembling a mat. The inside black outline will not be as wide either.

You may order this print 2 ways. If you choose to buy a print, please check which one you want. In both ways, the dimensions of the paper is the same, 24" by 36". One print will be like the one mentioned above, with a 2 inch white border around the grid of flowers. This allows you to pop it into a standard pre-fab frame and have the look of a mat.

The other print will not have a white border. The artwork will fill the entire 24" by 36", edge to edge. You can still pop it into a standard frame. If you choose to add your own mat, that would entail custom framing which is approximately 3 times more money in framing cost (just for your frame of reference).
View print online on BSS website.

There are also notecards for sale. Please indicate which classroom's notecards you'd like, Mrs. Valdez or Mrs. Bucklin. Each pack has 18 cards at \$20.00 a package.

I hope you will consider either the notecards or prints or both for this fundraiser. Our fifth grade students are truly amazing artists!

Please make checks payable to Blessed Sacrament School. Be sure to put "annual fund" in the memo. Mark your envelope, " Georgia's Garden".

The **due date will be April 1st**. Please specify if you would like the print given to your child at school or we will make arrangements to bring it to your home. (you may want the print wrinkle free rather than smashed into a book bag!)

Any questions, call Annette at 546-9467 or e-mail at mcdermott771@comcast.net
