Parent

Signature: _____

St Martin DePorres is in need of the following:

Peanut butter
Macaroni and cheese
Canned Fruit and vegetables

Jelly
Cereal

The CTK Booster Club is sponsoring a **FOOD DRIVE** in conjunction with the **dance**. The school that collects the **MOST** food items **PER STUDENT** will be honored with the "Spirit of Giving" traveling trophy. The winner will be calculated based on **ENROLLMENT** for their 7th and 8th grades. As an example: if your school has only 80 students, and they bring 4 cans per student (total of 320) and the 120 CTK students bring 3 cans each (total 360) - the **SMALLER** school will **WIN** because the ratio of cans per student is bigger... like the IESA multiplier - the smaller schools will benefit and the bigger schools will have to work harder to beat them. This is our attempt to even out the playing field and encourage a spirited competition.

We hope to collect over 1000 cans!

Little Flower won the trophy at the last dance. Will they keep it - or will another school win?? You can help St. Martin's **AND** bring the trophy to your school - all you need to do is organize your classmates to bring **LOTS** of food items.

ALSO AVAILABLE....
