February 9, 2012

Dear School Parents,

After consultation with both the Finance Committee and the School Board, the following tuition schedule has been established for students in grades K-8 for the 2012-2013 school year:

|               |                          |
|---------------|--------------------------|
| 1 child -     | \$3,750 (\$70 increase)  |
| 2 children -  | \$5,550 (\$250 increase) |
| 3+ children - | \$7,150 (\$290 increase) |
| Non-Parish -  | \$5,200 per child        |

The registration fee will remain \$75.00 per child; registration packets will be distributed next Monday, February 13. We make every effort to keep tuition costs manageable for families while at the same time maintaining fiscal responsibility to the parish. Please understand that each student from our parish is subsidized by the parish and by fundraising activities such as the Auction and the Annual Fund. To more equally balance the amount of subsidy for each child, the tuition increase for the second and third student is slightly larger this year.

Our parish has been fortunate in providing an exemplary Catholic education to all who desire one, regardless of economic status. Should you have concerns regarding tuition for your family or the new tuition schedule for the 2012-2013 school year, please do not hesitate to call me. We will again use FACTS Grant and Aid Assessment to help determine need, and I will be happy to assist any family in their effort to provide a Catholic education for their child. As in years past, Blessed Sacrament Parish will not deny any student a Catholic education because of financial concerns.

Thank you, once again, for your cooperation and support. These qualities keep the Blessed Sacrament Parish tradition strong and growing. Together we will continue to teach and live the Catholic faith here in our parish and school.

Sincerely Yours in Christ,

Father Jeffery Grant  
Pastor
