Games are played on diamonds throughout the city of Springfield. For more information please visit our web site at: [www.kidsfirstsports.org](http://www.kidsfirstsports.org)

#### Our Mission

Kids First Sports, Inc. will organize, promote, supervise, and support participation in youth baseball in a way that promotes the confidence, sportsmanship and enjoyment of children. We will do this by creating an environment that promotes fun and good values.

*distributing*

#### Our Vision

1. To guarantee that all children regardless of race, color, creed, sex, or economic means will be given the opportunity to meaningfully participate.
2. To exemplify the connection between competition and integrity.
3. To promote the values of self-discipline, commitment, teamwork and leadership in children that will aid in their development as confident and successful adults.
4. To promote a safe environment for kids to learn the core values the league exemplifies.
5. To recognize that building character, promoting values and having fun are more important than winning.
6. To ensure that all Kids First Sports, Inc. affiliates, including coaches, umpires, board members, concessionaires, and league officials conduct themselves in a manner consistent with the mission of the organization.
