

# BE A STOCKING STUFFER!

The Builders Club is once again coordinating a project to fill Christmas stockings that will be distributed to the needy through Catholic Charities. Over the years we have increased the number of stockings that we fill in order to try to meet the needs of the community. Our goal this year is **1000** stockings, but we can't do it without your help. We are asking each student to bring in one or two packages of the candy assigned to his/her grade level.

Please bring your contributions to the school by the morning of **Tuesday, 12/5/17.** Everyone in the school will go through our assembly line on **Friday, 12/8/17,** to stuff stockings.
