Hello BSS Parents!

We are again offering camps this summer at The Little Gym from June 4th through August 11th! This year our camps for ages 3-8 are being held on Mondays and Wednesdays from 9am-noon, and on Tuesdays and Thursdays from 1-4pm. **Back this year are grade school camps focusing on skill development for ages 6-12! Grade School Skill Thrill camps will be held every week from 1-4pm on Wednesdays!**

I wanted to let all of you know about a great program for 3-5 year-olds called WonderKids Club™ that we will be offering next school year. WonderKids Club™ is an enrichment program that extends The Little Gym experience for children ages 3 to 5. Each three-hour WonderKids Club combines a Funny Bugs and/or Giggle Worms class – one of our regularly scheduled one-hour gymnastics classes – with an additional 2 hours of active learning and instructor-led, immersive play. Center activities, arts and crafts projects, story time, and creative play with LEGO® DUPLO® bricks all reinforce the week's Learning Unit and theme. For WonderKids, the Club offers a three-hour interactive learning experience, a three-hour structured play session and a three-hour exploration of their innate sense of wonder. For parents, WonderKids Club provides three hours of much-needed grown-up time and the confidence that their children are happy and growing in a safe, structured, familiar environment. Joining WonderKids Club doesn't require a special password or a long-term commitment. All children ages 3-5 who are enrolled in a Funny Bugs or Giggle Worms may join. WonderKids can enroll for as little as one session at a time, or as much as the entire Season, offering you the flexibility to choose when and how often your child participates. The cost is only \$20 per WonderKids session, which can be paid on a per session, monthly, or quarterly basis.

WonderKids Club™ is offered on Tuesday and Wednesday mornings from 9am-11am during the school year, which is an ideal opportunity for parents who participate in either M/W/F or T/Th preschool programs to gain an additional morning's worth of time for themselves while their kids are exercising their minds and their bodies at The Little Gym.

We are now enrolling for summer classes and camps, and will start enrollment for fall/spring classes next week! Summer camp and class schedules for children ages 4 months to 12 years follow. We also do birthday parties and Parent Survival Nights, and we offer a FREE Introductory Experience for your child to try a class and see what The Little Gym is all about!
