

December 12, 2018

To the Faculty & Staff, Parents & Students at Blessed Sacrament School:

On Thursday December 6, 2018, we had the pleasure of bringing the Gift of Giving Program to the students at St. Patrick's Catholic School. This is our fourth consecutive year at St. Patrick's. I want to personally thank everyone for the donations, without your generosity this program would not be possible. The donations provided 60 students at St. Pat's the opportunity to each pick out three gifts for their loved ones. As always, they were very excited and very thankful.

I want to thank the BSS students who came to help the St. Pat's students shop, wrap and tag the gifts. You did a great job and were so kind and caring toward them. I also want to thank all of the other volunteers who helped set up, decorate, wrap, and clean up. You're the best! A special shout out to Miss Michelle in the school office for coordinating the BSS student volunteers, permission slips, & drivers. Thanks so much, Michelle!!

Again, I ask that you save used tissue paper, bows, gift bags, half used rolls of gift wrap(or wrap you're tired of), gift tags, small boxes, etc. Also, gently used or new items are greatly appreciated. After Christmas break I will be putting a big red container in the entry way at BSS. I thank you in advance for the donations.

Merry Christmas & blessings in the New Year!

With sincere gratitude,
Margie Homeier
